Improving Health. Enriching Lives.

## Element Care Enrolls While Social Distancing

Element Care is aware that many of you are currently seeking alternatives to nursing home placement and we want you to know that we are still accepting and processing referrals. To keep everyone safe, we have developed a remote enrollment process that works for those who prefer completing paperwork as well as for those who prefer using telemedicine apps. We can drop off paperwork at your home, provide it on

our website and talk to you over Facetime or Skype. We can also use a social medicine app to arrange secure, remote visits with our clinical team and provide you with virtual tours of our PACE Centers.

**Our thanks and gratitude go out to Element Care's nurses and front line staff who have been supporting our participants at home since the start of the COVID-19 outbreak in many new ways.**

**Call us at 877 803 5564 (TTY 711) for more information and to let us know what type of enrollment works best for you.**
